in Tallahassee. It is the  
Midway south east of Detroit.

We are having nice spring

weather again.

and a devotion ~~very~~ after  
word it was good + interesting

I am feeling better now

since weather is warm.

I had a case of ~~strep~~ infection  
in March + April.

I got a letter from Mildred  
since Jerry died. She says she  
is getting along good ~~and~~  
and is getting a store brought

too to cheer her up.

There are 5 of our sisters who

in house.

I would like to come down

think Adama has time down
