

I just received your letter after I sealed
the one I sealed this one so I tre it open.
I don't need my clarinet. The band is all boys.
And the symphony only has about 3 clarinets. I don't
have time to play it anyway.

I saw Bob Field once to talk to so you can
see about how much you just run onto people.
I saw Ames Shremaker on registration day. But
I didn't get to speak to him.
