

Thursday Even.

Dear Mom,

I thought I'd better write and let you know that the university had swallowed me up completely. Although I think it has almost.

This is another one of those extra busy weeks. Last week wasn't quite so bad. I haven't been able to get to bed before midnight the whole week. Monday afternoon I went over town and took my saddle shoes to have them sewed up finally. I was in Penney's looking for a present for Edith. Got her shoes and saw they had raincoats on sale. I decided I would buy one because I had been looking around & hadn't seen anything anywhere else any cheaper and better. Price \$3.75. It is black brown. It is very full and has a hood and ever so long. It has a belt so I can wear belted in something like my winter coat. Tuesday afternoon I went to Chem. Lab and at 4 to a housing committee

raincoat

After supper, just sat for a while. At 7:30 went to a mass
w-op meeting. Chrl howe got an alarm of records for being perfect attendance.
I left early and could go to song practice after church. Got there about 9
saw how howe tried to get people started some and I didn't

for S.C.A. After that another girl & I had
a coke with a couple of fellows on
our committee in the Union Sweetshop.
Tuesday Even I went to a shower for
~~Edith up Janice Wheeler, she got quite~~
a few nice little things.

Wed. night at 7:30 we had a trade
dessert with the fellows from Clipp
Housing unit and they didn't leave until
about quarter of ten. We had a nice
time but I had to study for a Physiol
test afterwards.

Well, that brings me up to today, and I'm
rather worn as you might guess, but I still
~~had to go through the day!~~ Besides my other classes, then lunch dishes
and my washing. I had to do my washing
or else start wearing all my dirty clothes
wrong side out or something. Ha! I counted
12 prs of stockings on the line. (I got a new
bra & 2 prs of socks last wk.). At 4 o'clock Ruth O'
Conner (gal in next room) & I went to the movie
Convocation. (free, goody goody) just got home in
time for dinner.

APPROVED FOR USE IN
PURDUE UNIVERSITY

get home much before 10:30 either! Alan
still has his car and now the muffler
loose again. I went out to the skating rink
Sunday afternoon.

I got a letter from Mildred this week,
~~which I will tell you with you when~~
I come home. Just tell her it's Ray. I will
try to write to her before I come home.

We get off Wed. noon and should get home
that afternoon. Happy Ray!

The radio is playing Star-Spangled Banner
and signing off for the night so I guess
I'd be better to do the same.

Love,
Shelma
